A Brief History of the Lighthouse Inn

In 1850 the federal government appropriated money to build a lighthouse near the breakwater at the mouth of Bass River. Oxen were used to bring supplies over the salt marsh for construction of the Bass River Light. The light was lit in 1855 and continued to serve seafarers until 1914 when it was decommissioned. In 1938 the lighthouse property was purchased by the Stone family of Auburn, Massachusetts. Everett Stone and his wife Gladys planned to develop the land and sell it. Because the purchase of the lighthouse occurred too late in June to begin any construction that first year, Gladys decided to take in overnight guests to help pay the mortgage. So many of the 1938 guests asked to return, the Stones changed their plan for developing the land and thus began Lighthouse Inn, still owned and operated by the Stone family. After being dark for 75 years, the Bass River Light was relit in 1989 as the only U.S. Coast Guard sanctioned, privately owned, privately maintained lighthouse in the country, now known as the West Dennis Light.
